Mindy-

Attached for your review is the request to brief Dave on the 404(g) rulemaking. Would you make any edits and either send to Patrick Huber, or send back to me and I'll send to Patrick.

We have the pre-brief for John on the calendar July 17. That seems to be one of the few slots available between ACWA and ECOS.

The timing for Dave is also tricky. I proposed a week's window of August 24-31, though that might be tight with ECOS that week. After that, we'd be in the first week of September. But let me know what you think.

Ruth
